Design of Question Paper and Mode of Examination

The questions will be based on the syllabus of mathematics for Class X prescribed by the Board of Secondary Education, Manipur. The question paper will consist of **50 Multiple Choice Questions (MCQs)** carrying a maximum of **100 marks**. There will be 20 MCQs carrying 1 mark each, 20 MCQs carrying 2 marks each and 10 MCQs carrying 4 marks each. There will be **negative marking for each wrong answer, and a penalty of 25% of the mark allotted to the corresponding question will be deducted**. If nothing is marked for a question, no penalty will be given. For each question, there will be four alternatives out of which only one will be correct. You have to find the correct answer and darken the letter corresponding to the answer only in the answer sheet. A sample answer sheet is given in **Annexure 1**.
